

Oil & Gas 20

Ignite Your Future!

Earn high school credits while expanding your knowledge of the Oil & Gas industry in Saskatchewan Distance Learning Centre's Oil & Gas 20 course starting February 2025.

Oil & Gas 30 will be available for the 2025-26 school year.

Gain valuable knowledge and hands on experience through 50 hours of online theory and 50 hours of work placement.

Course Overview

You'll learn about energy exploration, production, environmental practices, safety, economic impacts and technological advances and have the opportunity to get hands on experience in a work placement thanks to our industry partners.

Fits Your Schedule

- Study at a pace, time and place that works for you
- Fits your current school schedule
- Course notes, instructional videos and resources are available 24/7
- Your teachers are available through face-to-face Teams chats, email and phone

Work Towards Apprenticeship

As an Oil & Gas student, you are eligible to apply for the Sask Youth Apprenticeship (SYA) program. SYA benefits:

- Up to 300 hours towards apprenticeship certification
- First year tuition waved at Sask Polytech
- Eligible for \$1,000 SYA scholarship

If you're interested, so are we.
