Parts Technician 30L

Diagnose with Precision. Repair with Confidence.

Saskatchewan Distance Learning Centre's (Sask DLC) Parts Technician 30L equips students with the crucial skills needed to excel in the agriculture sector as they manage inventories to prevent avoidable delays. You will have the opportunity to gain on-the-job **work experience** and apply your knowledge at an agriculture dealership.

Earn high school credit towards graduation and hours toward apprenticeship through a Sask DLC trades course.

Parts Technician 30L Overview

You will learn about:

- Parts sourcing
- Pricing
- Shipment tracking
- Career opportunities

Course Consists of:

- 50 hours of online theory
- 40 to 50 hours of a work placement at an ag equipment dealership
- Optional Boot Camp at Saskatchewan Polytechnic in Saskatoon (typically held in December)

Due to the seasonal nature of this course, it is only available for **Semester 1 registration.**

Work Towards Apprenticeship

As a Parts Tech student you are eligible to apply for the Sask Youth Apprenticeship (SYA) program.

SYA Program benefits include:

- Up to 300 hours (per course) towards any apprenticeship certification
- First year tuition waved at Sask Polytech
- Eligible for SYA scholarships of $1,000

Saskatchewan Apprenticeship and Trade Certification Commission

Fits Your Timetable

- Study at a pace, time and place that works for you
- Course notes, instructional videos and resources are accessible 24 hours a day
- Your teacher is available through email, phone, Teams chats or face-to-face meetings during regular school hours

Nothing prepares you for the world like experience.

Work placements provide you with an opportunity to see if a trade might be right for you. This is only possible with the support of our partners, the North American Equipment Dealers Association and Canada Equipment Dealers Foundation.
